Notes

Date/Time	Note	Created By
11/17/2018 09:31	Owyhee Sheriff's Office requested Grand View Ambulance respond to the US Ecology site for an explosion and fire.	Ronge, Bradley
11/17/2018 09:53	Owyhee Sheriff's Office advised they contacted Canyon Sheriff's Office to request the Regional Hazmat Team respond to the incident.	Ronge, Bradley
11/17/2018 09:54	Canyon Sheriff's Office advised they had received a call from Owyhee Sheriff's Office to request the Regional Hazmat Team. They advised they would not dispatch them until Owyhee Sheriff's Office goes through StateComm.	Ronge, Bradley
11/17/2018 10:00	Deb from Owyhee Sheriff's Office called to request a hazmat team respond to the scene. She was advised an Incident Commander from the scene would need to call in to provide the required information.	Ronge, Bradley
11/17/2018 10:30	Idaho Office of Emergency Management (IOEM) Director Brad Richy called to request a conference bridge with Mark Dietrich or John Tippits with the Department of Environmental Quality (DEQ).	Ronge, Bradley
11/17/2018 10:53	Conference bridge call including Director Brad Richy, IOEM, Albert Crawshaw DEQ Boise, and Doug Tanner DEQ Pocatello conducted. Director Richy briefed participants on the incident. Albert Crawshaw advised he will reach out to his contacts for more information. A follow up conference bridge call was set for 1130 hours.	Ronge, Bradley
11/17/2018 10:59	Incident Commander (IC) Sgt Hoagland, Owyhee Sheriff's Office, called to report the incident as a hazmat. He was advised he would receive a call back as soon as the previous conference bridge call was completed.	Ronge, Bradley
11/17/2018 11:05	Sgt Hoagland reported an explosion had occured at the US Ecology site in Grand View. Approximately 7000 pounds of magnesium powder exploded resulting in a fire and damage to surrounding buildings. There are two patients being treated and one person is missing. He is requesting assistance for clean up and decontamination. The site is still smoldering. They do not know what caused the explosion.	Ronge, Bradley

	Steven Ball, EPA	
11/17/2018 11:46	Brad Ronge, Idaho State Communications Center (StateComm) Conference bridge call continued:	Ronge, Bradley
11/1//2010 11.40	Contentice bridge can continued.	Notige, brauley
	Sgt Hoagland, IC, briefed participants on the incident. 7000 pounds of	
	magnesium exploded at the US Ecology site in Grand View. Two persons	
	were injured and one is still missing. There are several other buildings	
	around containing unknown mixed chemicals. He is requesting a	
	decontamination unit because hospitals are refusing to accept the patients	
	until they are decontaminated by a certified decontamination unit. Jeff	
	Rylee, Hazmat Duty Officer, asked if they are requesting the Regional	
	Hazmat Team. Sgt Hoagland confirmed they are requesting a Regional	
44/47/0040 44 47	Hazmat Team response.	D D "
11/17/2018 11:47	Conference bridge call continued:	Ronge, Bradley
	Brad Trosky, RRT3 and Sgt Hoagland exchanged information. Brad asked	
	what kind of assistance would be needed and Sgt Hoagland requested	
	assistance with the decontamination and help with the search and recovery	
	of the missing person. Brad Trosky, RRT3, advised they have a two hour	
	ETA and dropped off the call to initiate their response. Doug Tanner, DEQ,	
	requested to know if the Fire Department is working on the smoldering	
	building. Sgt Hoagland advised they are not because the magnesium is	
	reactive to water and makes it worse. He also advised there is no danger	
	from smoke. The danger would come from skin contact. Aaron Scheff,	
	DEQ, asked if they had been able to determine what was in the surrounding	
	buildings. Sgt Hoagland advised there are metal containers with flammable waste and oxidizers in the buildings. Personnel have not been able to get	
	into the office where the paperwork is stored due to a roof collapse.	
	into the office where the paperwork is stored due to a root collapse.	

Page 3 of 5 Printed: 11/18/2018 5:50:22 am

11/17/2018 11:48	Conference bridge call continued:	Ronge, Bradley
	Jim Desmond, Owyhee County Emergency Manager, advised the US Ecology Emergency Action Plan states there is a relationship with Mountain Home Air Force Base and if it was possible for the Air Force to help out with the decontamination. Sgt Hoagland did not know if that was a possibility. Sgt Hoagland was then advised by someone on scene that St. Alphonsus in Boise will be setting up a decontamination area outside their ER. Brian Crawford, HD3, advised he would call the hospital to help with information regarding the treatment of the patients. Steven Ball, EPA, asked if the US Ecology personnel were in contact with the Incident Commander in terms of stabilizing the site and any clean up help they may need. Sgt Hoagland advised they have been out there since the initial explosion and are still on scene. Steven Ball, EPA, also asked if Sgt Hoagland was satisfied with the response from US Ecology. He stated he was satisfied.	
11/17/2018 12:01	Conference bridge call continued:	Ronge, Bradley
	At 1201 hours, Jeff Rylee, IOEM Hazmat Duty Officer, classified the incident as a Level II and Doug Tanner, DEQ Pocatello, concurred.	
	Jeff Rylee and Sgt Hoagland scheduled a follow up conference bridge call	
11/17/2018 15:51	for 1600 hours. Albert Crawshaw, DEQ Boise, called to advise he will be the DEQ contact for	Ronge, Bradley
44/47/0040 40 00	all future calls regarding the incident.	
11/17/2018 16:00	Second conference bridge call participants:	Ronge, Bradley
	Jeff Rylee, IOEM Hazmat Duty Officer Dale Nalder, IOEM Area Field Officer Brad Richy, Director, IOEM Albert Crawshaw, DEQ Boise Aaron Scheff, DEQ Boise Mark Dietrich, DEQ Natalie Cree, DEQ Sgt Hoagland, IC, Owyhee Sheriff's Office Jim Desmond, Owyhee County Emergency Manager Brian Crawford, Health District 3 Mitch Kiester, Health District 3 Dr. Clay Roscoe, Health District 3 Brooks Stanfield, EPA Steven Ball, EPA Eric Vanderboom, EPA Brad Ronge, Idaho State Communications Center (StateComm)	
	Sgt Hoagland, IC, updated the participants that RRT3 has arrived on scene and they believe they have found the body of the missing person. RRT3 will send a crew in to identify that it is in fact a body. The recovery of the body may have to wait until tomorrow due to the fact that it is covered by debris and heavy equipment may be needed to be brought in. Mark Dietrich, DEQ, requested an update on the smoldering, the structure, and the remaining containers. Sgt Hoagland advised there doesn't seem to be anymore smoldering and the last explosion was at 1230 hours. He also advised no one has been able to go in and identify the other materials in the buildings. Mark Dietrich asked, if possible, to have someone find out what other materials are present. Natalie Cree, DEQ, stated US Ecology should have computer records of all the materials contained at the site. Sgt Hoagland	

Page 4 of 5 Printed: 11/18/2018 5:50:22 am

stated US Ecology advised him the only material in the building where the

explosion took place was magnesium powder.

Albert Crawshaw, DEQ Boise, advised that Jason Evans and Rebecca Hogaboam are working with their corporate office in Boise to check container storage in that area for compatibility. Brad Richy, IOEM, asked if Sgt Hoagland needed any additional assistance at this time. Sgt Hoagland confirmed he did not. Another conference bridge call was scheduled for 0800 tomorrow, 18 November 2018. Jeff Rylee, IOEM Hazmatl Duty Officer, advised the incident will remain at at Level II and Albert Crawshaw, DEQ Boise, concurred Received a call from Albert Crawshaw with DEQ Boise with an update for the hazmat situation. Albert advised he just spoke to Rebecca Hogaboam, U.S. Ecology Environmental Manager, who advised that, as of 1850 hours MDT, the site is secure. The Regional Response Team has recovered the deceased body. H2O Environmental will be on scene at 0800 hours MDT tomorrow for their recon, inventory, and remediation. The U.S. Ecology Health and Safety will be on scene at 1500 hours MDT tomorrow as well. Brad Richy, IOEM, was updated with the information from Albert Crawshaw with DEQ Boise. Brad requested to know the decontamination procedures that were done on the patients due to the discrepancy with the hospitals. As well as, the condition of the patients. Brad advised he does not need to be updated tonight, but will want it for the call tomorrow morning at 0800 hours MDT. 11/17/2018 20:42 State Communications contacted Brad Trosky, RRT3, and advised him of the request from Brad Richy, IOEM. Brad Trosky advised the patients were transported to St. Als Regional Medical Center in Boise (SARMC-Boise) where they were deconned by the hospital. Brady Trosky advised SARMG-Boise was contacted while EMS was en route to St. Luke's Elmore, and SARMG-Boise advised they would accept the patient's and decontaminate them. RRT3 did not conduct any decontamination processes on the patients. Brad Trosky advised to show them clear of the call as of 2130 hours MDT as they were just getting back into town from the call State Communication	
container storage in that area for compatibility. Brad Richy, IOEM, asked if Sgt Hoagland needed any additional assistance at this time. Sgt Hoagland confirmed he did not. U.S. Ecology Environmental Manager, who advised that, as of 1850 hours MDT, the site is secure. The Regional Response Team has recovered the deceased body. H2O Environmental will be on scene at 0800 hours MDT tomorrow for their recon, inventory, and remediation. The U.S. Ecology Health and Safety will be on scene at 1500 hours MDT tomorrow as well. Brad Richy, IOEM, was updated with the information from Albert Crawshaw Wright, Elbert with DEQ Boise. Brad requested to know the decontamination procedures that were done on the patients due to the discrepancy with the hospitals. As well as, the condition of the patients. Brad advised he does not need to be updated tonight, but will want it for the call tomorrow morning at 0800 hours MDT. State Communications contacted Brad Trosky, RRT3, and advised him of the request from Brad Richy, IOEM. Brad Trosky advised the patients were transported to St. Als Regional Medical Center in Boise (SARMC-Boise) where they were deconned by the hospital. Brady Trosky advised SARMC-Boise was contacted while EMS was en route to St. Luke's Elmore, and SARMC-Boise advised they would accept the patient's and decontaminate them. RRT3 did not conduct any decontamination processes on the patients. Brad Trosky advised to show them clear of the call as of 2130 hours MDT as they were just getting back into town from the call 1/17/2018 20:42 State Communications contacted SARMC Transfer Center to get information on the three patients that were transported to SARMC-Boise. Eric, SARMC Transfer Center to get information on the three patients that were transported to SARMC-Boise. Eric, SARMC Transfer Center to get information on the three patients that were transported to SARMC-Boise. Eric, SARMC Transfer Center to get information on the three patients that were transported to SARMC-Boise. Eric, SARMC Transfer Center to get information on the three patients that were transported to SARMC-Boise. Eric, SARMC Transfer Center to get information.
